Letter from the President

Welcome to 2021! My name is Susie Jones and I am your new President. Despite the many challenges last year, our most proud accomplishment was opening a Food Pantry in our Library. By the end of last year, we fed over 1,600 people! We are working on a few "Covid friendly" events this year and are looking forward to sharing those with you soon.

Although the Hall remains closed due to Covid-19 restrictions, the Board continues to plan for the upcoming year. Please help us welcome new members as they give their time and talents to helping support our community. I also want to thank past officer Joann Mendoza for her many years of service on the Board.

If you have any ideas, suggestions or comments, please feel free contact me or any of the board members at info@fiddletowncc.org.

Help for the Holidays

A Huge Success!

Help for the Holidays 2020 (Covid style) was a smashing success, providing Christmas gifts, clothing, house wares, toys, gift wrapping, door prizes, and more to over 300 people, double the number served in 2018. No

one went away empty-handed. A few participants commented to volunteers that they would never have had such a nice Christmas without our help.

The outpouring of donations was tremendous! The generosity from local businesses, organizations and individuals was a heartwarming example of the true meaning of the holiday. Several of the volunteers also contributed handmade items.

The experience was tremendous for all and their love and commitment to the community shone through. We even had people who saw what we were doing give us cash donations on the spot. Our community is amazing!

Let's make 2021 even greater! Be sure to contact me if you would like to be a sponsor, contributor or volunteer.
